

YO-YO WEEK AT CAROL HOLT ELEMENTARY

Dear Parents,

On Friday, October 12th, 2018, a professional yo-yo and spin top champion will conduct a program entitled the SCIENCE OF SPIN at our school. For the remainder of the day, the skill art of yo-yoing will be taught during our PE classes.

Yo-yos will be provided for the classes. Buying a yo-yo is not mandatory. If your child does not have a good working yo-yo and you wish to purchase one, the type used in the classes will be available for \$7.00, a professional winged-style ball-bearing yo-yo for \$11, or an LED lighted ball-bearing Yo-Yo is \$14, all of which include sales tax. These yo-yos come set up for beginner's play and can be adjusted for advanced play later as the student progresses. For advanced players, a professional level, non-responsive yo-yo will also be available. Spin tops will also be available for \$8.00 and \$15.00. These products will be available at school for five days following the assembly, and allows our school to receive this program free of charge. CASH ONLY will be accepted. Please return the order form with your payment.

Sincerely,

Karlyn Gonzalez
